Questions

Please answer the following questions honestly from your heart. Do not write what you want us to think about you, rather, be who you are. I encourage you to start praying hard about this opportunity and trust that God will make your role clear to the leadership and to you throughout this process. Please take the time to type out your answers and attach them to this application. This form is due back by **November 20th, 2011**.

1. Why do you want to go on the mission to Peru?
2. How have you been growing spiritually in preparation to be involved?
3. What do you think God is going to challenge you with if you were to go to Peru?
4. How do you see yourself adding to the team of people going? (your talents, leadership, gifts, prayer)
5. Do you have any hesitation in sharing your faith with others? Why? Either share your confidence or fear.
6. Is there any reason why this would be an unwise choice for you? (are you currently struggling through life and therefore would have a tough time committing throughout the process?)
